WHY STUDY ABROAD

- LIVING A DREAM
- BETTER RESEARCH OPPORTUNITIES
- CAREER BENEFITS AND PERSONAL GROWTH
- AFFORDABLE FEE STRUCTURE
- GLOBAL OUTLOOK
- EASE OF ADMISSION
- QUALITY OF EDUCATION
- SCHOLARSHIPS

Limited seats of approx 70,000 are only available in India, the number of application in NEET UG us more that 16 lakhs which clearly defines shortage of supply against demand.

WHY INCREASE IN ABROAD STUDIES ?

Even in India, 80% of college that provide medical study are unable to maintain quality, majority of the universities in abroad are Govt. universities. Through, some private university are also there in some countries, unfortunately, the world ranking of most Indian universities stand nowhere close to foreign university.
